

I need 4 sections like this:

Profile	Projects	Resume	Contact
- Name - Photo - About Me - Education - Focus - Career Goals	- Arduino Bluetooth Car - FPGA Projects - FSM Arduino LED - Networking Projects - Raspberry Pi Projects - Object Detection	- Skills - Experience - Download CV - Certifications	- Email - LinkedIn - GitHub - Uno Project Hub - YouTube

Profile

Name: Balagie Hydera

Photo: I have to embed my photo

About Me:

I am a Computer Engineering graduate with a passion for building hands-on projects. This site shows my work in engineering, software, and technology, including academic projects, personal projects, and technical demonstrations.

Education:

B.Tech in Computer Engineering

City Tech (NYC CUNY)

Focus

- Embedded Systems
- Robotics
- FPGA Design
- Networking
- Raspberry Pi
- Software Development
- AI & Computer Vision

Embedded Systems, Robotics, FPGA Design, Networking, Software Development, AI & Computer Vision

Career Goals:

To build a successful career as a Full-Stack Web Developer, creating modern, scalable, user-friendly, and efficient web applications.

Projects:

For each project, I need:

- Description
- Pictures
- Embedded video to YouTube
- Source Code
- Downloadable PDF Report

Resume:

- Skills
- Experience
- Download CV
- Certifications

Contact:

- Email
- LinkedIn
- GitHub
- Uno Project Hub
- YouTube
